

Exeter International Private Shore Program in Stockholm

A Private, Historical and Cultural Tour of Stockholm with your personal English-speaking guide

(The following is just a suggested daily tour schedule. Sightseeing may be changed to reflect your exact arrival and departure dates, as well as your specific interests.)

Day 1

Stockholm

Your guide will meet you on the pier after your ship has cleared customs. Stockholm, the country's capital, was built on 14 islands connected through a network of waterways and more than 50 bridges. Known as 'the Venice of the North', it is hardly surprising that Stockholm is a city best seen from the water. Recognized for their modern design and freshness, the Swedes also take great pride in their customs and traditions.

You will first visit Gamla Stan (*Old Town*) to explore the narrow cobblestone streets and quaint shops. Your guide will take you to the Royal Armoury an award-winning museum situated in an atmospheric cellar vault beneath the Royal

Palace in Stockholm featuring a large collection of armors, weapons, and parade coaches.

You will also walk along the quays of Stockholm for a visit at the imposing City Hall, Stockholm's political center and site for the annual Nobel Prize festivities.

Later your guide and driver will escort you to Djurgården, a natural resort in the heart of Stockholm. Here you will visit Vasa Museet, Scandinavia's most visited museum, for its maritime history and Housing of the Vasa warship. The Vasa, perhaps the grandest and most ambitious ship ever to be built in Sweden, is the city's prized treasure. She capsized and sank straight to the bottom on her maiden voyage in the 17th century only to be salvaged nearly 333 years later in 1961.

Lastly you will depart for Drottingholm palace and the unique court theatre where operas and concerts were performed. The Palace, built in 1662, is now the residence of Sweden's royal family. It was originally built as a Baroque palace and later extended and refurbished in the rococo style. Visit the magnificent Baroque Court Theater, which is the oldest preserved theatre still in use with authentic decor and machinery.
