Why Exeter International?

Our Knowledge & Experience

At Exeter International we have been creating memories and crafting custom-designed journeys for 27 years. We are a team of specialists committed to providing the best travel experiences in our destinations. Each of our experts has either travelled extensively on reconnaissance trips, or has lived in their area of expertise, giving us unparalleled first-hand knowledge. Because we focus on specific parts of the globe, we return to the same destinations many times, honing our experience over the years.

Hand-Selected Guides

We know that guides are one of the most important components of any travel experience. That is why we only use local experts who have a history of working with our guests and whom we know personally. We are extremely particular in selecting our guides and are confident that they will be one of the most memorable aspects of any of our trips.

Authentic & Extraordinary Experiences

Our Extraordinary Experiences are different, unusual, and not something easily googled. We also know how important it is to remain authentic. Going beyond the obvious is becoming increasingly important to our guests, and we focus on developing experiences that enrich and enhance both head and heart. We also recognize that the obvious sights are still popular, and we make every effort to skip lines whenever possible, therefore maximizing time in each destination.

Original Custom Programs, Meticulously Planned

Our experts speak your language both literally and culturally. Our advice and recommendations are impartial, honest, and always have the individual in mind. We save valuable time in pre-trip research and offer smooth and effortless touring in each destination. Our planning is detailed, and we think of everything, including restaurant reservations. You will also have complete peace of mind on the ground with 24-hour local support.

Quality Vehicles

We use late-model luxury vehicles, often Mercedes, Audi, BMW, or Volkswagen, depending on the size of the vehicle you need. The only exception to this is in some Central Asian countries that use vehicles predominantly from Japan.

DAY 1

Copenhagen

Today your guide will meet on the pier for your tour of Copenhagen. Begin your tour with a visit to the harbor fortification known as Kastellet; Copenhagen's defense citadel from 1663. The next point of interest is the impressive Gefion fountain located next to the English Church of St. Alban. Also in this area is the Little Mermaid statue, sculpted by Edvard Eriksen in 1913. The statue has become the symbol of Denmark.

You may also want to spend a bit of time in the beautiful area of Nyhavn, filled with local cafes and restaurants.

Afterwards, your guide will show you Christiansborg Castle. The castle is home to the Danish Parliament and where the Queen receives her guests. Your guide will take you through the reception rooms where you can see the Queen's tapestries. The seventeen tapestries were presented to the Queen on her 50th birthday in 2000. They depict Denmark's history from the past 1000 years.

Also on the palace grounds is Royal Library, the largest library in Scandinavia. This library functions as the National Library and library for the University of Copenhagen. An extension, the Black Diamond was built in 1999. The dark façade reflects the water as it lies along one of the city's canals. It is a lovely spot for a short break to grab a seat and enjoy the activity along the canal.

Exeter International Travel Information

SIGHTSEEING

Sightseeing arrangements have been made with your special interests in mind. Your drivers and guides are at your disposal for full or half-day sightseeing programs as indicated in the itinerary. Within those time and mileage guidelines, your driver and guide are at your disposal, so you are free to modify your program as you please. Should you require additional time or mileage, the costs will be quoted on request and may be paid for locally in the local currency or U.S. Dollars.

Every effort has been made to confirm that scheduled sightseeing venues will be open at the time you plan to visit them. However, individual estates, museums, gardens and other points of interest can change their hours of operation at short notice. In the event that a particular attraction is closed on the day or time of your visit, your guide will offer alternative arrangements or rearrange your sightseeing to accommodate these unexpected events.

WHEELCHAIRS

Exeter wheelchair service can be arranged at most ports; however, the cost of the rental includes extra time for delivery and return. Often it's a better value to bring a wheelchair from the US with you on your cruise, or to arrange a cruise-long rental via a third party company like www.specialneedsatsea.com. Please do note that our guides cannot assist with mobility-challenged guests to be lifted or pushed in wheelchairs. If a member of your party cannot push the wheelchair, we will have to hire a wheelchair pusher, at additional expense. Drivers cannot be expected to help disabled guests in and out of vehicles. They can manage the wheelchair (collapsible) in and out of vehicles. They will be required to stay with the vehicle and will not be available to assist beyond the vehicle.

OPTIONAL EXPENSES

Charges for extra meals, transport, sightseeing services or other optional additions to your established itinerary are your responsibility and must be paid locally in the local currency.

GRATUITIES

Gratuities are not included in your tour price and are at your own discretion. Please see your final documents for tipping suggestions.

DINING WITH YOUR GUIDE

On days when dinner and lunch costs have not been included in your itinerary (or in your tour cost), you may, at your discretion, choose to invite your guide to dine with your party. You are under no obligation to do so but, if you do extend such an invitation, the guide is your guest and you will be responsible for the cost of his/her meal.
