WHY EXETER INTERNATIONAL?

Our Knowledge & Experience

At Exeter International we have been creating memories and crafting custom-designed journeys for 27 years. We are a team of specialists committed to providing the best travel experiences in our destinations. Each of our experts has either travelled extensively on reconnaissance trips, or has lived in their area of expertise, giving us unparalleled first-hand knowledge. Because we focus on specific parts of the globe, we return to the same destinations many times, honing our experience over the years.

Hand-Selected Guides

We know that guides are one of the most important components of any travel experience. That is why we only use local experts who have a history of working with our guests and whom we know personally. We are extremely particular in selecting our guides and are confident that they will be one of the most memorable aspects of any of our trips.

Authentic & Extraordinary Experiences

Our Extraordinary Experiences are different, unusual, and not something easily googled. We also know how important it is to remain authentic. Going beyond the obvious is becoming increasingly important to our guests, and we focus on developing experiences that enrich and enhance both head and heart. We also recognize that the obvious sights are still popular, and we make every effort to skip lines whenever possible, therefore maximizing time in each destination.

Original Custom Programs, Meticulously Planned

Our experts speak your language both literally and culturally. Our advice and recommendations are impartial, honest, and always have the individual in mind. We save valuable time in pre-trip research and offer smooth and effortless touring in each destination. Our planning is detailed, and we think of everything, including restaurant reservations. You will also have complete peace of mind on the ground with 24-hour local support.

Quality Vehicles

We use late-model luxury vehicles, often Mercedes, Audi, BMW, or Volkswagen, depending on the size of the vehicle you need. The only exception to this is in some Central Asian countries that use vehicles predominantly from Japan.

KOTOR

Today your guide will meet you upon your arrival in Kotor for a visit of this beautiful seaside town. Start your visit in Kotor with a visit to the Catholic Cathedral of St. Triphon from the 12th century with reliquaries of St. Triphon from the 9th century. Continue to the Orthodox Church of St. Luca from the 12th century, as well as the Franciscan Church of St. Clare from the 16th century with the baroque marble altar of Francesco Casabianca

Afterward, meet your driver for your journey to Perast, and visit the island “Lady of the Rocks”. Perast represents the best-preserved entity of this part of the Adriatic. The Lady of the Rocks lies about 125 yards northeast of the island of St. George. The stone plateau in the middle of the sea with a church on it is a result of the enduring efforts of generations of mariners to leave there, in the very heart of the Bay of Boka Kotorska, a testimony of their Christian faith and culture.

Later in the afternoon, continue your exploration of Montenegro with a visit to Lustica.

EXETER INTERNATIONAL EXTRAORDINARY EXPERIENCE

In Lustica you will meet the Morić family, famous locally for their olive oil production. This olive grove is family owned and operated in an area renowned for the quality and complexity of its extraordinary artisan olive oils produced with purity, flavor, and character. The estate reflects the family’s dedication to crafting the finest specialty food items while working to preserve the natural integrity of this esteemed property. You will be invited to savor the excellence of their estate-grown artisan oils. All of the olives are organically and sustainably farmed and hand-harvested. You will have the opportunity to get to know the Morić family, witness how they produce their domestic olive oil, and enjoy a homemade meal of Montenegrin specialties.
