WHY EXETER INTERNATIONAL?

Our Knowledge & Experience

At Exeter International we have been creating memories and crafting custom-designed journeys for 27 years. We are a team of specialists committed to providing the best travel experiences in our destinations. Each of our experts has either travelled extensively on reconnaissance trips, or has lived in their area of expertise, giving us unparalleled first-hand knowledge. Because we focus on specific parts of the globe, we return to the same destinations many times, honing our experience over the years.

Hand-Selected Guides

We know that guides are one of the most important components of any travel experience. That is why we only use local experts who have a history of working with our guests and whom we know personally. We are extremely particular in selecting our guides and are confident that they will be one of the most memorable aspects of any of our trips.

Authentic & Extraordinary Experiences

Our Extraordinary Experiences are different, unusual, and not something easily googled. We also know how important it is to remain authentic. Going beyond the obvious is becoming increasingly important to our guests, and we focus on developing experiences that enrich and enhance both head and heart. We also recognize that the obvious sights are still popular, and we make every effort to skip lines whenever possible, therefore maximizing time in each destination.

Original Custom Programs, Meticulously Planned

Our experts speak your language both literally and culturally. Our advice and recommendations are impartial, honest, and always have the individual in mind. We save valuable time in pre-trip research and offer smooth and effortless touring in each destination. Our planning is detailed, and we think of everything, including restaurant reservations. You will also have complete peace of mind on the ground with 24-hour local support.

Quality Vehicles

We use late-model luxury vehicles, often Mercedes, Audi, BMW, or Volkswagen, depending on the size of the vehicle you need. The only exception to this is in some Central Asian countries that use vehicles predominantly from Japan.

OPTION 1

ISTRIA

Meet your driver and guide at the pier today to head into the countryside. The interior of Istria is very different from its coast. Your first visit today is the artist colony of Groznanj. This hilltop town was all but deserted after WWII until being revitalized as a place for artists. This is also a favorite of musicians, as the International Cultural Centre of Young Musicians has its seat here. You will have time to wander the twisting streets, filled with shops from local artisans, or perhaps to take in an impromptu music or drama performance in the main square.

Riding through the rugged and hilly terrain you will come to the medieval ruins of the town of Motovun, which suddenly springing into view. Motovun is an excellent example of the ancient townships that dotted the Istrian peninsula. It's worth the long trek up to the top of the hill. Motovun is a medieval city that dates back to the 12th century, which remained intact owing to their hill-top locations and walled fortifications.

Later you will continue your tour of Istria with a visit to Livade, the small village in the Istrian countryside famous for being one of the best-known truffle regions in Europe!

White Istrian truffles are among of the most expensive mushrooms in the world, and truffle harvesting is a local tradition in the interior of the Istrian peninsula.

EXETER INTERNATIONAL EXTRAORDINARY EXPERIENCE

OPTION 2

ROVINJ & PULA

This morning, your driver and guide will meet you at your ship to explore some of the Istrian peninsula. Today you will drive down the western Istrian coast along the Adriatic Sea to Pula, at the southernmost tip of the Peninsula.

Pula became famous under the Romans during the 2nd century BC, and became an Episcopal seat during the 5th century. This morning, your guide will take you on a walking tour of Pula. You will start at the historic center of the city at its most famous landmark, the Pula Amphitheater, which dates back to the 1st century – one of the best preserved Roman amphitheaters in the world. Continue to visit the Golden Door at the Temple of Augustus, and the Church of St. Francis and the Franciscan monastery that is adjacent to it. The Franciscan monastery in Pula, as in other parts of Croatia, is still in function.

EXETER INTERNATIONAL EXTRAORDINARY EXPERIENCE

Emanuel Grubić, along with his family, is the owner of the family mills 'Grubic' located in Bale. After graduating with a degree in agriculture, he turned intensely to olives and olive oil; renewing old olive groves and planting new ones. The family has 8 hectares of olive groves, with approximately 1600 trees, which produces about 1000 liters of olive oil a year. Today you'll stop at his farm and enjoy a tasting of his best olive oils.

Return to Rovinj where your guide will also give you an overview tour of the city. Your guide will take you to visit the Church of St. Euphemia. The Venetian Baroque structure dominated the Old Town center of Rovinj and is dedicated to St. Euphemia, the patron saint of Rovinj.
