# WHY EXETER INTERNATIONAL?

## **Our Knowledge & Experience**

At Exeter International we have been creating memories and crafting custom-designed journeys for 27 years. We are a team of specialists committed to providing the best travel experiences in our destinations. Each of our experts has either travelled extensively on reconnaissance trips, or has lived in their area of expertise, giving us unparalleled first-hand knowledge. Because we focus on specific parts of the globe, we return to the same destinations many times, honing our experience over the years.

## **Hand-Selected Guides**

We know that guides are one of the most important components of any travel experience. That is why we only use local experts who have a history of working with our guests and whom we know personally. We are extremely particular in selecting our guides and are confident that they will be one of the most memorable aspects of any of our trips.

## **Authentic & Extraordinary Experiences**

Our Extraordinary Experiences are different, unusual, and not something easily googled. We also know how important it is to remain authentic. Going beyond the obvious is becoming increasingly important to our guests, and we focus on developing experiences that enrich and enhance both head and heart. We also recognize that the obvious sights are still popular, and we make every effort to skip lines whenever possible, therefore maximizing time in each destination.

## **Original Custom Programs, Meticulously Planned**

Our experts speak your language both literally and culturally. Our advice and recommendations are impartial, honest, and always have the individual in mind. We save valuable time in pre-trip research and offer smooth and effortless touring in each destination. Our planning is detailed, and we think of everything, including restaurant reservations. You will also have complete peace of mind on the ground with 24-hour local support.

## **Quality Vehicles**

We use late-model luxury vehicles, often Mercedes, Audi, BMW, or Volkswagen, depending on the size of the vehicle you need. The only exception to this is in some Central Asian countries that use vehicles predominantly from Japan.

## DAY 2

### SPLIT

This morning, your guide will meet you in the hotel lobby to take you for a walking tour of the Old Town Split.

The Diocletian Palace, facing onto the Split harbor, is one of the most impressive Roman architectural monuments in existence and is protected as a UNESCO Heritage Site. The Roman Emperor Diocletian, noted for his persecution of early Christians, was supposedly a native of nearby Salona before rising through Roman military ranks before finally being appointed as emperor by his legions. He ruled for 20 years before abdicating and retiring to this palace. After his death, the palace was gradually abandoned until the 7th century when refugees from the surrounding areas, fleeing foreign invasions, sought shelter within the palace's protective walls. In the following centuries, the castle's population outgrew its capacity and the town sprawled outside the walls.

You will have the chance to explore more than 200 buildings within the boundaries of the Diocletian Palace complex, many of which are still homes, while others house cafes, restaurants, and shops. Like a typical Roman fort, in its original form the palace had a roughly square layout and was surrounded by a thick wall with gates and watchtowers. Some of the best-preserved sites you can visit are the Vestibule, the Temple of Jupiter, the Peristyle, and Diocletian's Mausoleum – now the Cathedral of St. Dominus.
