Each of our experts has either traveled extensively on reconnaissance trips, or has lived in their area of expertise, giving us unparalleled first-hand knowledge. Because we focus on specific parts of the globe, we return to the same destinations many times, honing our experience over the years.

## Knowledgeable up-to-the-minute local information

We are best placed to give you advice about traveling to Europe and beyond; from logistics and new protocols in museums, hotels and restaurants in each country. We are here to expertly guide you through the new normal in travel.

## Original custom programs, meticulously planned

Our experts speak your language both literally and culturally. Our advice and recommendations are impartial, honest, and always have the individual in mind. We save valuable time in pre-trip research and focus on developing experiences that enrich and enhance your experience. Once on your journey you will have complete peace of mind with our local 24-hour contact person who is on hand to coordinate any changes in your program or help you in the case of any emergency.

## Hand-selected guides

We know that guides are one of the most important components of any travel experience. That is why we only use local experts who have a history of working with our guests and whom we know personally. We are extremely particular in selecting our guides and are confident that they will be one of the most memorable aspects of any of our trips.

# Day 1

## Arrival into Vienna

Arrival into Vienna, where your private driver will welcome you for your transfer to your deluxe hotel in the center of the city.

Vienna is a capital city of Europe that is often overlooked for her glitzier rivals - Paris, London, and Rome. As a travel destination, Vienna truly showcases something for everyone. It has an artistic and intellectual legacy that has shaped Western culture. From the monuments and palaces of the Habsburg legacy, to the great master composers, Mozart and Beethoven among others, and from the intellectuals of the Vienna Circle, to the birth of Secessionist art, architecture and design, Vienna is a must-visit.
