Why Exeter International?

Our experience

At Exeter International we have been creating memories and crafting custom-designed journeys since 1993. We are a team of specialists committed to providing the best travel experiences in our destinations. Each of our experts has either traveled extensively on reconnaissance trips, or has lived in their area of expertise, giving us unparalleled first-hand knowledge. Because we focus on specific parts of the globe, we return to the same destinations many times, honing our experience over the years.

Knowledgeable up-to-the-minute local information

We are best placed to give you advice about traveling to Europe and beyond; from logistics and new protocols in museums, hotels and restaurants in each country. We are here to expertly guide you through the new normal in travel.

Original custom programs, meticulously planned

Our experts speak your language both literally and culturally. Our advice and recommendations are impartial, honest, and always have the individual in mind. We save valuable time in pre-trip research and focus on developing experiences that enrich and enhance your experience. Once on your journey you will have complete peace of mind with our local 24-hour contact person who is on hand to coordinate any changes in your program or help you in the case of any emergency.

Hand-selected guides

We know that guides are one of the most important components of any travel experience. That is why we only use local experts who have a history of working with our guests and whom we know personally. We are extremely particular in selecting our guides and are confident that they will be one of the most memorable aspects of any of our trips.

Day 1

Arrival into Zurich

Arrival into Zurich, where you will be met by your driver for your transfer to your hotel in the center of the city.

Land of lakes (there are over 1500) and the Alps, the landscape is nothing short of spectacular. Crystal clear waters, snow-capped mountains, miles of terraced vineyards - the natural beauty of Switzerland is hard to match. The pristine cities combine the picturesque nature with high culture, a combination rarely found elsewhere.

Enjoy your afternoon at leisure.

Day 2

Overview Walking Tour

This morning, your guide will meet you in the lobby of your hotel for an overview tour of the city. Zurich is a wonderful city to explore because most major sights are close together along the lake and river or are accessible by public transport.

Walk through the winding, narrow cobblestone streets of Zurich's historic Altstadt, or "Old Town". Then, take to Niederdorfstrasse, a pedestrian-only neighborhood that runs parallel to the river for nearly a mile and a half through the heart of Old Town to the iconic twin-spired Grossmünster Church.

Cross the river back to Fraumünster Church, built on the remains of a former abbey for women founded in 853.

Later, enjoy a walk along Bahnhofstrasse, Zurich's main downtown street and spiritual heart of the city. This promenade, lined with some of the best shopping Europe has to offer, stretches from Zurich's main train station all the way to the banks of Lake Zurich.

Tonight your driver will meet you for your transfer to the concert. After the concert, the driver will take you back to the hotel.

This afternoon, take a short walk to the pier to board your private boat for a cruise on Lake Zurich. Local red and white wines, rum, soft drinks, and snacks will be served onboard. After disembarking, stroll back to your hotel, located in front of the pier.
