We are a team of specialists committed to providing the best travel experiences in our destinations. Each of our experts has either traveled extensively on reconnaissance trips, or has lived in their area of expertise, giving us unparalleled first-hand knowledge. Because we focus on specific parts of the globe, we return to the same destinations many times, honing our experience over the years.

## Knowledgeable up-to-the-minute local information

We are best placed to give you advice about traveling to Europe and beyond; from logistics and new protocols in museums, hotels and restaurants in each country. We are here to expertly guide you through the new normal in travel.

## Original custom programs, meticulously planned

Our experts speak your language both literally and culturally. Our advice and recommendations are impartial, honest, and always have the individual in mind. We save valuable time in pre-trip research and focus on developing experiences that enrich and enhance your experience. Once on your journey you will have complete peace of mind with our local 24-hour contact person who is on hand to coordinate any changes in your program or help you in the case of any emergency.

## Hand-selected guides

We know that guides are one of the most important components of any travel experience. That is why we only use local experts who have a history of working with our guests and whom we know personally. We are extremely particular in selecting our guides and are confident that they will be one of the most memorable aspects of any of our trips.

# Day 1

## Arrival into Stockholm

Arrival into Stockholm. Your driver will meet you outside of baggage claim and customs and transfer you to your hotel, ideally located in the center of the city.

Stockholm, Sweden's capital, was built on 14 islands connected through a network of waterways and more than 50 bridges. Known as "the Venice of the North", it is hardly surprising that Stockholm is a city best seen from the water. Recognized for their modern design and freshness, the Swedes also take great pride in their customs and traditions.

# Day 2

## Old Town Walking Tour & Vasa Museum

This morning, your guide will meet you in your hotel lobby for a walk to Gamla Stan (Old Town) to explore the narrow winding streets and historic buildings.

Continue via ferry with your guide for a journey to Djurgården, a natural resort in the heart of Stockholm. Here you will visit the Vasa Museum. This is Scandinavia's most visited museum, known for its maritime history and Housing of the Vasa warship. The Vasa, perhaps the grandest and most ambitious ship ever to be built in Sweden, is the city's prized treasure. She capsized and sank straight to the bottom on her maiden voyage in the 17th century only to be salvaged nearly 333 years later in 1961.

Next, you will have a visit at the Skansen, the world's largest open-air museum. Displaying the life and buildings over the last 150 years, this miniature Sweden depicts how the city has evolved. During the summer months, you can enjoy live concerts, folk music, and dancing in Skansen.

NOTE: Tonight, your driver will transfer you to the Friends Arena where you will enjoy the Taylor Swift concert. Then, your driver will transfer back to your hotel upon finishing.
