Connoisseur's Chocolate - from Bean to Bar Chocolate Tasting & A Taste of Old Town Zurich Tour

Today special arrangements have been made for you to meet Zurich's top artisanal chocolate makers. Founded by a small group of serious chocolate connoisseurs, this house of chocolate takes the art of fine chocolate making to another level. The chocolate makers travel to the far corners of the earth to meet the cacao growers to assure not just flavor profiles but also the sustainability and growing ethics they require.

The experience will follow a type of tastings that you might enjoy while in a fine wine class. You will discover different flavor profiles of cocoa from around the world, different terroirs and varieties that produce surprisingly different flavors. The visit will be very hands-on, as get to go behind the scenes and watch the process of taking roasted cacao in small batches to a chocolate paste and finally into hand-poured chocolates, which is rarely seen.

Later today you will meet your guide for your Taste of Old Town Zurich Tour. This unique experience was created exclusively by Exeter International and is available only to Exeter travelers. Bring your appetite for knowledge and food!

The rest of the evening is at your leisure.

Today, special arrangements have been made for you to participate in a hands-on cheese-making workshop in the heart of Zurich. Here, traditional cheesemaking craftsmanship is combined with urban creativity.

The intimate setting of this cheese dairy allows you to witness the step-by-step process of cheesemaking up close, which is a very rare opportunity. You will benefit from your cheese master's background knowledge and experience the alchemy of how milk is turned into cheese. At the end, you can take a piece of cheese home with you. End the experience with a cheese tasting or even a raclette lunch at their onsite restaurant.

This afternoon, we recommend independent e-biking along Lake Zurich with complimentary bikes provided by La Reserve.
